Use of Motor Vehicle Parent Permission Note

Dear Parents and Carers

Hawkesbury High School is concerned with the safety of students when travelling to and from school. The safety of your child when using their own or their family motor vehicle to transport themselves and possibly others to and from school is also a concern.

Due to the isolated nature of the school drawing area and the need for senior students to drive themselves to school, it is important to encourage the use of cars as a mode of transport.

In an effort to ensure the safe use of cars in and around the school we would like to create a data base of students using cars and ensure that any student who is travelling with the driver has permission to be in the car. The list can also be used to assist with driver education programs and coordination of excursions for Year 12 classes.

The car is to be parked outside of the school and once the student is inside the school they cannot access the car until they are leaving for the day (the car cannot be used as a locker).

Improper use of a motor vehicle will lead to parental contact and police contact.

Please fill in the information below to assist in keeping your child safe.

Student Name: _____ Year: _____

Make / Model of car : _____ Colour : _____

Student's Licence No: _____ Car Rego Plate No: _____

Parents Name: _____ Signature: _____

Number of passengers permitted to carry: _____ Date: _____

Passenger Permission

I give permission for my child to be a passenger in the above mentioned car

Student Name

Parent Authorising
