HAWKESBURY HIGH SCHOOL 7C CLASS APPLICATION INFORMATION

7C is an extension class based on the 6Cs, which are the future- focused skills of:

- Communication (listening and sharing ideas clearly and concisely)
- Collaboration (working with others)
- Creativity (expressing, thinking and doing things in new ways)
- Critical thinking (problem solving)
- Citizenship (becoming more globally aware and proactive in the community)
- Character (being a responsible and caring individual)

Future -focused learning prepares students across all curriculum areas and learning stages with the skills and capabilities to thrive in a rapidly changing and interconnected world.

Students will collaborate and use creative and critical thinking to solve complex problems and become mindful global citizens.

Students will be offered a differentiated and integrated curriculum that incorporates Inquiry Based Learning and enrichment options to best meet the needs of motivated students and independent learners.

Our aim is to:

- Provide learning activities that facilitate the development of the 6Cs within our students
- Develop transferable skills in addition to content knowledge
- Integrate Inquiry Based (Project Based) activities and authentic assessment which has real world application
- Increase engagement with the learning process

Future- focused learning environments inspire students to be leaders of their own learning. Student led conferences, a 7C class reviews and ongoing feedback and evaluation between teachers and students will be utilised to monitor student participation and performance in the class.

The application process for the 7C class will consist of the following:

1. Submission of the 7C Class Application Form.
2. Portfolio of work samples that demonstrate the student's willingness and ability to be an independent learner and use of the 6C skills.

Application forms will be issued to Year 6 students in early September by the primary school and applications will close on 4 November 2022. Successful candidates will be notified of placement in the 7C class prior to Orientation Day 2022.

Please do not hesitate to contact Mrs Shortland on 4579 6800 or via the school email hawkesbury-h.school@det.nsw.edu.au should you have any questions or require further information about the 7C Class.
