## Book & Equipment Requirements

### Year 11

We encourage students to have their books and equipment purchased, covered and labelled ready for starting work on the first day at school.

We hope that by giving you this information early you may avoid the rush experienced by many at the start of the school year or perhaps be able to take advantage of "specials". Teachers will, of course, provide additional information from time to time during the year.

<b>English</b>	196 page A4 lined exercise book with margins
<b>Maths</b>	192 page Mathematics grid book, scientific calculator
