Get information and practical advice
about supporting learner drivers to
become safe drivers.

Details on reverse.

Presented by Hawkesbury City Council
in partnership with the NSW Government.

Helping learner drivers become safer drivers

This free online workshop will offer information and practical advice aimed at parents and driving supervisors.

Presented by Hawkesbury City Council in partnership with the NSW Government, the session will cover:

- current driving rules and requirements for L and P platers
- how learners benefit from supervised on-road driving
- how you can help make learning to drive a safe and positive experience
